Kaz's interest in knowing why Van Eck specifically asks him to carry the task exemplifies Kaz's character strength curiosity.
			5	<p>"He's as good as dead," said Van Eck. "Shoot. Blow his brains out. 			9	<p>“Bells on your ankles,” Kaz said, gesturing to her costume, “but I didn't hear you. Purple silks and spots painted on your shoulders, but I didn't see you. And I see <i>everything</i>.” She shrugged, and he cocked his head to one side. <b>“Were you trained as a dancer?”</b></p> <p>“An acrobat.” She paused. “My family ... we're all acrobats.”</p> <p>(Six of Crows, 2015: 291)</p>	When Kaz met with Inej for the first time, Kaz was surprised by Inej's ability to move freely without triggering the bell on her ankle. Kaz did not even realize she was there until she spoke to him. Kaz then wondered how she received such abilities and asked if Inej was trained as a dancer. Kaz's interest in knowing how Inej gained her ability exemplifies Kaz's character strength curiosity.
		Open-mindedness	1	<p><i>Drugged</i>, Kaz thought, trying not to panic. <b><i>I've been drugged. Or it was some kind of illusion, the kind they performed in the theatres off East Stave—a girl cut in half, doves from a teapot.</i></b></p>	When Kaz sees one of Van Eck's Grisha walk through a wall, he thinks someone has drugged him. Then he considers the possibility of the phenomenon as an illusion that he used to see in

				<p>“What the hell is this?” he growled.</p> <p>“Let me go and I’ll explain.”</p> <p>(Six of Crows, 2015: 44)</p>	<p>the theatres. Kaz’s openness to more than one conclusion about how the Grisha can walk through a wall exemplifies Kaz’s character strength open-mindedness.</p>
			2	<p><b>If even part of what Van Eck said was true, the idea of one of them dosed with <i>jurda parem</i> was a daunting proposition.</b></p> <p>So the merchers had tried the drug on a Healer instead. But apparently things hadn’t gone according to plan.</p> <p>(Six of Crows, 2015: 53)</p>	<p>Kaz initially does not believe Van Eck’s words about the effect of <i>jurda parem</i>, a drug that can enhance Grisha’s power. But he still believes in the possibility that <i>jurda parem</i> exists. Kaz, who does not immediately believe Van Eck’s words yet thinks Van Eck might tell the truth, exemplifies Kaz’s character strength open-mindedness.</p>
			3	<p><b>Kaz studied the silent group more closely. Their eyes weren’t blank or dead, their bodies weren’t quite at rest. They were <i>expectant</i>. He suppressed a shiver. He’d seen peculiar things, extraordinary things, but nothing like what he’d witnessed tonight.</b></p> <p>(Six of Crows, 2015: 55)</p>	<p>Kaz cannot believe what he witnesses during his visit to Van Eck’s house. A group of people with no mind nor thought. Kaz admits he has seen countless peculiar things, but it is the first time he sees the effect of <i>jurda parem</i>. After witnessing <i>jurda parem</i>’s effect, he finally believes it. The transition of Kaz’s disbelief into believing Van Eck’s words exemplifies Kaz’s character strength open-mindedness.</p>
			4	<p>“Helvar is driven by honor and only honor. You can’t bribe or bully that.”</p> <p><b>“That may have been true once, Nina, but it’s been a very long year. Helvar is much changed.”</b></p> <p>(Six of Crows, 2015: 77)</p>	<p>Kaz proposes a plan to get Mathias out of his prison to Nina. Although Nina rejects his plan and says Mathias only cares about his duty as Fjerdan, Kaz does not reject Nina’s opinion. Instead, he believes Mathias might have changed. Kaz’s openness to the possibility that Mathias might have changed exemplifies Kaz’s character strength open-mindedness.</p>
			5	<p>“She can’t be trusted, you know,” he said to Brekker.</p> <p>“Whatever secrets you hope to gain from Bo Yul-Bayur, she’ll turn them over to Ravka.”</p> <p><b>“Let me worry about that, Helvar. You do your part, and the secrets of Yul-Bayur and <i>jurda parem</i> will be in the hands of the people best</b></p>	<p>Mathias warns Kaz that Nina might betray him in the future to protect her country, Ravka. Although Kaz does not openly accept his opinion, he still considers his words a possibility and says he will do something when it happens. Kaz, who does not immediately take Mathias’s warning but is still open to his suggestion, exemplifies</p>

				<p><b>equipped to make sure they stay rumors.”</b></p> <p>(Six of Crows, 2015: 108)</p>	Kaz’s character strength open-mindedness.
			6	<p><b>Kaz had been right to keep their real point of departure a secret from the others. Someone had talked.</b></p> <p>(Six of Crows, 2015: 141)</p>	Kaz does not put too much detail when he explains his plan to his crew. The sole reason behind it is Kaz believes that although it is his gang, there might be a traitor that will leak his plan to the enemies. Kaz’s openness to the possibility of a traitor inside his gang exemplifies Kaz’s character strength open-mindedness.
			7	<p><b>“Geels doesn’t have the brains or the resources to bite back this fast or this hard alone,” Kaz said.</b></p> <p>“You sure? Because it felt like a pretty big bite.”</p> <p>“Let’s ask.”</p> <p>(Six of Crows, 2015: 149)</p>	After Kaz and his team are attacked, most of his crew believe that Geels is the one behind the attack. Although it sounds convincing, Kaz does not merely believe that. Instead, he tries to find the answer by asking one of the attackers. Kaz, who does not immediately jump to a conclusion without a single proof, exemplifies Kaz’s character strength open-mindedness.
			8	<p>“But we didn’t know they’d send Grisha. How can we be sure they aren’t mercenaries?”</p> <p><b>Kaz held up a coin emblazoned with a horse on one side and two crossed keys on the other. “This was in the Squaller’s pocket,” he said, tossing it to Jesper. “It’s a Shu wen ye. The Coin of Passage. This is a government mission.”</b></p> <p>(Six of Crows, 2015: 235)</p>	When a group of Grisha attacks Kaz and his crews, they cannot believe that Grisha will work under Fjerdan, a Grisha’s enemy. Most of them think it is Grisha’s mercenary sent by someone else, but Kaz believes it is the actual Grisha sent by Fjerdan after he sees the symbol of Fjerdan’s government. Kaz, who cannot believe that Grisha will work under Fjerdan, yet accepts the truth after he receives the proof, exemplifies Kaz’s character strength open-mindedness.
			9	<p>“I don’t understand,” said Nina. “If they have <i>jurda parem</i>, why go after Bo Yul-Bayur?”</p> <p><b>“It’s possible they have a stash of it, but can’t reproduce his process,” Kaz said. “That’s what the Merchant Council seemed to think. Or maybe they just want to make sure Yul-</b></p>	Nina thinks the possibility of merchants pursuing Yul-Bayur is not very likely, especially when they have a large sum of their own <i>jurda parem</i> . But Kaz believes that might be possible, and the merchants might have different reasons for it. Kaz’s openness to the possibility of the merchants pursuing Yul-Bayur, even if they already

				<p><b>Bayur doesn't give the formula to anyone else."</b></p> <p>(Six of Crows, 2015: 236)</p>	<p>have many <i>jurda parem</i> on their hands, exemplifies Kaz's character strength open-mindedness.</p>
			10	<p>"Do you think they'll use drugged Grisha to try to break into the Ice Court?" Inej asked.</p> <p><b>"If they have more of them," said Kaz. "That's what I would do."</b></p> <p>(Six of Crows, 2015: 236)</p>	<p>Kaz knows very well that he is not the only one who will try to get Yul-Bayur out of prison. But he does not know what others will do to try to break into the ice court prison. But when Inej asks him if their enemy will try to use drugged Grisha, Kaz admits there will be a possibility of it happening. Kaz, who considers what Inej says to him as a possibility, exemplifies Kaz's character strength open-mindedness.</p>
			11	<p><b>If the plan went the way Kaz hoped, tomorrow night they would stroll down the Djerholm quay with Bo Yul-Bayur in tow, hop on their ship, and be far out to sea before anyone in Fjerda was the wiser.</b></p> <p>(Six of Crows, 2015: 244)</p>	<p>Kaz has prepared his seemingly-perfect plan to leave the Ketterdam. However, he still goes his way to prepare a countermeasure as he thinks it may be possible that his plan will not work as he wants it to. Considering the possibility that his plan may not work and preparing for the possibility of it exemplify Kaz's character strength open-mindedness.</p>
			12	<p>"The Ice Court is a vast structure," Matthias said, turning away. "I can't label every crack and corner."</p> <p><b>"Then let's hope nothing is lurking in those corners," Kaz replied.</b></p> <p>(Six of Crows, 2015: 246)</p>	<p>Mathias explains that labelling every place in ice court prison is impossible and less critical for their plan. Still, Kaz wants every of his crew member to be careful of the unexpected as an accident may happen at any time. Kaz's openness and consideration of everything that may happen during their operation exemplify Kaz's character strength open-mindedness.</p>
		Love of Learning	1	<p><b>There was little to do on the ship but study the layout of the Ice Court,</b> listen to Matthias grumbling, and annoy Wylan, who could always be found laboring over his attempts to reconstruct the possible mechanisms of the ringwall gates.</p> <p>(Six of Crows, 2015: 182)</p>	<p>During their trip to the ice court, many of Kaz's crew spend their time resting or doing their own business. On the other hand, Kaz uses his free time to learn about the ice court's structure and make him familiar with it. Kaz's enthusiasm in learning the ice court prison structure exemplifies Kaz's character strength love of learning.</p>

			2	<p><b>He pushed a chair up to the basin and climbed on it so he could see himself in the mirror as he tried to make coins disappear, just as he'd seen a magician do, performing in front of one of the gambling halls.</b> Kaz could have watched him for hours, but eventually Jordie had dragged him away.</p> <p>(Six of Crows, 2015: 195)</p>	When he was a child, Kaz always tried to learn the magic trick from the street performer. When there was a trick he couldn't imitate, he would not stop training until he figured it out. Kaz's willingness to learn the magician's trick he watched on the street exemplifies Kaz's character strength love of learning.
			3	<p>From there, he'd worked and scraped and saved. <b>He'd trailed the professional thieves of the Barrel and learned how to pick pockets and how to cut the laces on a lady's purse.</b></p> <p>(Six of Crows, 2015: 298)</p>	It is revealed that Kaz did not only learn how to perform a trick but also how to pickpocket. He would trail a thief on the street and watch them perform so that he could imitate it himself. Kaz's openness in acquiring knowledge (pickpocketing) exemplifies Kaz's character strength love of learning.
		Perspective	1	<p>"Let's say my currency carries more sway."</p> <p>"Money is money."</p> <p><b>"I trade in information, Geels, the things men do when they think no one is looking. Shame holds more value than coin ever can."</b></p> <p>(Six of Crows, 2015: 27)</p>	After Geels is defeated, Kaz mocks him for how he uses his money. Kaz then tells him about his mistake of not using his money for information. The action of telling Geels his error and how it should be done exemplify Kaz's character strength perspective.
			2	<p>"One is theft, and the other is commerce."</p> <p><b>"When a man loses his money, he may have trouble telling them apart."</b></p> <p>(Six of Crows, 2015: 41)</p>	Kaz asks Van Eck to tell him the difference between them. Van Ecks tells Kaz that he is commerce and Kaz is a thief. Kaz then tells Van Eck that there is no difference between them if they are in the face of a desperate man. Anyone can be killed no matter how much money or reputation they have. Giving advice and telling Van Eck to be wary exemplify Kaz's character strength perspective.
			3	<p><b>"You see, every man is a safe, a vault of secrets and longings. Now, there are those who take the brute's way, but I prefer a gentler approach—the right pressure applied at the right</b></p>	Van Eck asks Kaz how he gets his information. Kaz tells him that there are two types of people. The one who takes it forcefully and the one like him who gets information without brute

				<p><b>moment, in the right place. It's a delicate thing."</b></p> <p>(Six of Crows, 2015: 43)</p>	<p>force. Giving Haskell information about he gets his information, exemplifies Kaz's character strength perspective.</p>
			4	<p>We're prepared to offer you five million <i>kruge</i>."</p> <p>Kaz pocketed the pistol. He wasn't afraid for his life now, just irritated that this fink had wasted his time. <b>"This may come as a surprise to you, Van Eck, but we canal rats value our lives just as much as you do yours."</b></p> <p>(Six of Crows, 2015: 48)</p>	<p>Van Eck is ready to pay Kaz five million <i>kruge</i>. Although it is considerably high for a mission, Kaz refuses the offer. He then tells Van Eck that people who live on the street value their lives as much as he does, implying that Van Eck should not underestimate others' lives. Giving Van Eck a warning that he should not misjudge people like him as someone who will do anything for money exemplifies Kaz's character strength perspective.</p>
			5	<p><b>"We're going to untie you," said Brekker. "I hope prison hasn't robbed you of all your manners or good sense."</b></p> <p>Matthias nodded, and the bronze girl took a knife to the ropes binding him.</p> <p>(Six of Crows, 2015: 110)</p>	<p>Seeing how the tied-up Mathias has been behaving since he was freed from prison, Kaz warns Mathias not to act without consideration if he does not want anything to happen to him. How Kaz gives a warning to Mathias that will result in Mathias's life becoming safer exemplifies Kaz's character strengths perspective.</p>
			6	<p><b>"The easiest way to steal a man's wallet is to tell him you're going to steal his watch. You take his attention and direct it where you want it to go."</b></p> <p>(Six of Crows, 2015: 119)</p>	<p>Kaz asks his crew what the easiest way to steal a man's wallet is. Unfortunately, none of their answers satisfy him. He then tells them that they should use some sort of distraction. Correcting his crews' mistake and giving away his tips for stealing exemplify Kaz's character strength perspective.</p>
			7	<p><b>"You think a year in Hellgate hardened you up? Taught you to fight? Hellgate would have been paradise to me as a child. You move like an ox—you'd last about two days on the streets where I grew up. This was your one free pass, Helvar. Don't test me again. Nod so I know you understand."</b></p> <p>(Six of Crows, 2015: 126)</p>	<p>Mathias knocks Kaz up and threatens him to let him go. Fortunately for Kaz, he is able to turn the table. Kaz then warns Mathias not to get full of himself. He tells him that his time in prison was nothing compared to his childhood day. Implying there will always be a stronger man above Mathias. Giving Mathias a warning that he should not act tough and not be arrogant</p>

					exemplifies Kaz's character strength perspective.
			8	<p><b>“Now, a bad thief,” continued Kaz, “one who doesn’t know his way around, just makes the grab and tries to run for it. A good way to get pinched by the stadwatch. But a proper thief—like myself—nabs the wallet and puts something else in its place.”</b></p> <p>(Six of Crows, 2015: 250)</p>	Kaz tells his crew that a good thief will always try to replace the item they stole to prevent his victim from noticing the sudden absence of their item. Because once they notice, it will be a matter of time until the thief gets pinched and caught. Giving advice about how one can prevent themselves from getting caught stealing exemplify Kaz's character strength perspective.
			9	<p>“I don’t want to kill people, not really.”</p> <p><b>“That’s a solid policy until people want to kill you. And in our line of work that happens a lot.”</b></p> <p>(Six of Crows, 2015: 291)</p>	Inej once said that she doesn't want to kill people. However, Kaz told her that she would have to kill, especially when her life was at stake. She must be ready to kill for her own good. Giving Inej reassurance that killing is okay, especially when her life is in danger, exemplifies Kaz's character strength perspective.
			10	<p><b>“Slavery is illegal in Kerch. Indentures are not. I know this contract is a sham and any thinking judge would, too. Unfortunately, Heleen has many thinking judges in her pocket. Per Haskell is offering you a loan—no more, no less. Your contract will be in Ravkan. You’ll pay interest, but it won’t break you. And as long as you pay him a certain percentage every month, you’ll be free to come and go as you please.”</b></p> <p>Inej shook her head. None of this seemed possible.</p> <p>(Six of Crows, 2015: 293)</p>	When Kaz invited Inej to join the Dreg, Inej wasn't sure whether joining Kaz would be better than working under Hellen's hand as a men-pleasing tool. Kaz then reassured her that if she were to work with him, she would not be treated as a slave and would eventually earn her freedom. Giving reassurance and telling Inej that he would treat her nicely exemplify Kaz's character strength perspective.
2	Courage	Bravery	1	<p>Kaz’s laugh was dry as the rustle of dead leaves. “But <i>I’m</i> the one at your table, Geels, and I’m not here for a taste. <b>You want a war, I’ll make sure you eat your fill.”</b></p> <p>(Six of Crows, 2015: 23)</p>	Kaz meets with Geels to talk about business matters. But it turns out Geels has bribed the city guard to overlook their meeting so Geels can do whatever he wants to Kaz. Kaz, however, does not fear him. He is even ready to fight Geels. Kaz's willingness to fight Geels for

				his good exemplifies Kaz's character strength bravery.	
			2	<p><b>“I’m fairly sure you’re threatening me, Geels,” Kaz said. “But I want to be certain before I decide what to do about it.”</b></p> <p>“Sure of yourself, aren’t you, Brekker?”</p> <p>“Myself and nothing else.”</p> <p>(Six of Crows, 2015: 24)</p>	<p>Kaz knows that Geels has bribed the city guard, but Kaz wants to learn more about what else Geels did. So he purposely stalls the time even though Geels's subordinates have surrounded him. Kaz's lack of fear in the pursuit of knowing what Geels's plan, exemplifies Kaz's character strength bravery.</p>
			3	<p>Kaz glanced up at the roof.</p> <p><b>“Hiring city guards to do your killing? I’d say that’s an expensive proposition for a gang like the Black Tips. I’m not sure I believe your coffers could support it.”</b></p> <p>(Six of Crows, 2015: 24)</p>	<p>After stalling the time, Kaz notices that Geels has hired the city guard to act as a sniper. Instead of getting scared, Kaz is a bit surprised that Geels can bribe the city guard even though his gang, black tips, is notably weaker than Kaz's gang. Staying calm and collected despite him being sniped exemplifies Kaz's character strength bravery.</p>
			4	<p>“Do you really think that secret would die with me? Go on, Holst,” he called.</p> <p><b>“Put a bullet in my skull. There will be messengers sprinting to your wife and your watch captain’s door before I hit the ground.”</b></p> <p>(Six of Crows, 2015: 27)</p>	<p>Not only did he find out that Geels had prepared his way to kill Kaz, but it turns out that one of his subordinates, Big Bolliger, is secretly working with Geels. Big Bolliger wants to kill Kaz so his betrayal will not be uncovered. However, Kaz didn't come without any preparation either, as he had already sent his men to Geels's house.</p>
			5	<p>Geels smirked. “Kaz Brekker, the great escape artist. How are you going to wriggle your way out of this one?”</p> <p><b>“Going out the same way I came in.” Kaz ignored the pistol, turning his attention to the big man lying on the ground.</b></p> <p>(Six of Crows, 2015: 29)</p>	<p>In the meeting between Kaz's gang, the Dreg, and Geels's gang, the Black Tips, Kaz notices that Geels has bribed the city guard to snipe him from the roof. Not only that, but Geels also brings a gun to the meeting and points it at his head. Despite all that, Kaz does not cower in fear even in the slightest because he has a plan, and he needs to stall Geels's time to make his plan successful. Kaz's strong determination to make his plan work, even when a gun is pointed at his head, exemplifies Kaz's character strength and bravery</p>

			6	<p><b>Kaz stepped into the Barrel of the gun so that it was pressed directly against his chest. “No way at all, Geels.”</b></p> <p>“You think I won’t do it?”</p> <p>“Oh, I think you’d do it gladly, with a song in your black heart. But you won’t. Not tonight.”</p> <p>(Six of Crows, 2015: 29)</p>	<p>As the guards are taken out by Inej, Geels now relies on his own gun to kill Kaz. However, despite him pointing his gun at Kaz, Kaz does not seem to be scared of it. Eventually, Kaz can convince Geels not to shoot him by stating that his men have captured his wife and held her hostage, even though it is a mere bluff. Staying calm and bluffing his way out of Geels's threat exemplify Kaz's character strength bravery.</p>
			7	<p>He’d leave as another victim of Kaz Brekker. “You’ll get what’s coming to you someday, Brekker.”</p> <p><b>“I will,” said Kaz, “if there’s any justice in the world. And we all know how likely that is.”</b></p> <p>(Six of Crows, 2015: 30)</p>	<p>Kaz wins against Geels and Bolliger, and is willing to give them his mercy only if they leave the city. Leaving the city means Geels will lose everything, and Kaz will have fewer competitors. Geels accepts his offer but also says that Kaz will someday get karma if he continues doing the business in his way. Kaz does not seem scared of it and will continue doing what he has been doing. Kaz's strong will to do what the best for him, even if it means opposing the world, exemplifies Kaz's character strength bravery.</p>
			8	<p>“I’d call the night a success,” he said. “Wouldn’t you?”</p> <p><b>“You were nearly killed. So was Jesper.”</b></p> <p><b>“Geels emptied the Black Tips’ coffers paying useless bribes. We’ve outed a traitor, reestablished our claim on Fifth Harbor, and I don’t have a scratch on me. However, He knows that a job to breach a tightly guarded prison surely pays more than ten million <i>krug</i>. In the end, Kaz is able to convince Van Eck to raise the payment by playing hard to get. Kaz's persistence in raising the payment of his job exemplifies Kaz's character strength.</p>

			3	<p>“You can’t just walk me out of here. Kaz’s determination to save Inej’s life by telling Nina, who is not a medic, to take care of Inej’s wound exemplifies Kaz’s character strength persistence.</p>
			6	<p>What she said made sense, but it unnerved him. In Fjerda women didn’t talk this way, didn’t speak of military or strategic matters. Mathias's attempt to escape can possibly bring danger to him and his teammates. Thus, he asks Nina to knock Mathias out with her power. However, he is young and somewhat inexperienced. To ensure Wylan's safety, Kaz tells Jesper to look over Wylan. Kaz's concern about Wylan's safety exemplifies Kaz's character strength leadership.</p>

As she begins to think that Kaz will abandon her, Kaz suddenly comes to the rescue and tells her that he will protect his team. Kaz, who comes to rescue Inej, exemplifies Kaz's character strength leadership.</p>
			10	<p>“That’s a lot of blood,” Nina said on a low breath.</p> <p>“Help her.”</p> <p>“Kaz, I’m a Heartrender, not a real Healer.”</p> <p><b>“She’ll be dead by the time we find one. Fortunately, Kaz can persuade Nina by reminding her about the dire situation they are in. Kaz, who shows great concern toward Inej's critical condition, exemplifies Kaz's character strength leadership.</p>
			11	<p><b>“Names, Helvar. To prevent such a problem, Kaz tells Wylan to match Mathias's information with his own, considering Mathias is not the only one who has ever visited the ice court. Kaz, who is taking great lengths to confirm the authenticity of Mathias's information to prevent trouble for his team exemplifies Kaz's character strength leadership.</p>
			12	<p>She remembered the thrust of Oomen's knife, climbing the crates, people shouting as she dangled from the tips of her fingers. But that thought is proven wrong when Kaz comes and saves her. Suggesting that Inej is quite important to him. Kaz, who treats Inej as something important to him to the point he is willing to save her from danger, exemplifies Kaz's character strength leadership.</p>
			13	<p>When they reached the foredeck, Inej leaned on the railing and looked out at the horizon. But Kaz tells her that he will get them out no matter what happens. Kaz, who is ready to do anything to ensure his team's safety, exemplifies Kaz's character strength leadership.</p>

			16	<p><b>“Once we’re out of the cells,” Kaz continued, “Matthias and Jesper will secure rope from the stables while Wylan and I get Nina and Inej out of the women’s holding area. Kaz, who is able to command every member of his team in order to reach their destined goal, exemplifies Kaz's character strength leadership.
			17	<p><b>“The rest of the prison isn’t like the holding area. No exceptions.”</p> <p>(Six of Crows, 2015: 209)</p>	Kaz and his team successfully infiltrate the Ice Court, and it is time for them to run their plan. Kaz gives everyone their own task and role to fulfil their goal. Kaz's ability to manage all of his members exemplifies Kaz's character strength leadership.
			18	<p><b>Kaz gestured to Jesper. “Perimeter. Luckily they manage to fend off the attacker. Kaz tells Jesper to keep watch on their surroundings to prevent any follow-up attack. Kaz's alertness to any possible surprise attack, thus telling Jesper to be on the watch for their group, exemplifies Kaz's character strength leadership.
			19	<p><b>“Move quickly. The prisoners should be hooded, but they’ll be able to hear, so not a word. We can’t afford to arouse suspicion. But before that, Kaz reminds his team to stay shut to prevent alerting the guard. Kaz, who is telling his team about something they shouldn't do for their safety, exemplifies Kaz's character strength leadership.
			20	<p>He was better than this. He had to be. Not just for Jordie, but for his crew. <b>He’d brought these people here. He’d brought Inej here. It was his job to bring them out again.</b></p>	Much to Kaz's surprise, Pekka Rollin is already inside the Ice Court, seemingly having the same goal as him. It means they need to take Yul Bayur and fight Pekka Rollin at the

Kaz also doesn't forget to give Jesper and Mathias their instruction. Kaz, who is trying to find two of his missing member, Nina and Inej, exemplifies Kaz's character strength leadership.
5	Temperance	Forgiveness and Mercy	1	<p><b>“I stood down!”</b> cried Geels, cradling his hand. <b>“I stood down!”</b></p> <p><b>“You draw on me again, I’ll break both your wrists, and you’ll have to hire someone to help you take a piss.” Kaz tipped the brim of his hat up with the head of his cane. “Or maybe you can get the lovely Elise to do it for you.”</b></p> <p>(Six of Crows, 2015: 31)</p>	Geels admits his defeat to Kaz and cancels his plan to take over the fifth harbour. Although, Kaz is nearly killed by Geels during the negotiation. Kaz doesn't kill Geels and instead tells him to leave Ketterdam. Kaz, who spares Geels's life, exemplifies Kaz's character strength forgiveness and mercy.
			2	<p>Kaz crouched down beside Bolliger. The big man whimpered. <b>“Look at me, Bolliger. Assuming you don’t bleed to death tonight, you have until sunset tomorrow to get out of Ketterdam. However, even though he is betrayed, Kaz doesn't kill Bolliger. Instead, he tells him to leave Ketterdam and never show up ever again. Kaz, who grants Bolliger his mercy even after he gets betrayed, exemplifies Kaz's character strength forgiveness and mercy.

			4	<p>“How long have you known about Big Bolliger?”</p> <p>“Weeks. We’re going to be short-staffed. That reminds me, let Rojakke go.”</p> <p>“Why? You could give him a warning, take a finger.”</b></p> <p>(Six of Crows, 2015: 37)</p>	<p>Kaz believes that Bolliger is too stupid to work together with Geels, and he suspects that a man named Rojakke is involved in Bolliger's betrayal. After finding that his suspicion is true, Kaz sends Jesper to warn Rojakke instead of telling Jesper to kill him. Kaz, who tells Jesper to warn Rojakke instead of doing something more cruel to him, exemplifies Kaz's character strength forgiveness and mercy.</p>
			5	<p>“You think a year in Hellgate hardened you up? Taught you to fight? Hellgate would have been paradise to me as a child. You move like an ox—you’d last about two days on the streets where I grew up. <b>This was your one free pass, Helvar. Don’t test me again. Nod, so I know you understand.</b>”</p> <p>(Six of Crows, 2015: 126)</p>	<p>After Kaz gets Mathias out of Hellgate, Mathias suddenly attacks Kaz and plans to escape. Much to Mathias's surprise, Kaz is unexpectedly strong enough to defeat him. Then he tells Mathias not to do that again, suggesting that he gives Mathias a second chance to join his team. Kaz, who is willing to take Mathias into his team even after he attacked him, exemplifies Kaz's character strength forgiveness and mercy.</p>
		Humility and Modesty	1	<p><b>They’d nabbed him because he’d been flush off a victory and distracted. But it is because he is alone without any companion, and his mind is distracted by his recent issue with Geels, suggesting that it is all his fault. Kaz admitting the fault that caused him to get kidnapped exemplifies Kaz's character strength humility and modesty.</p>
			2	<p>With a job like this under his belt and that kind of scrub at his fingertips, he wouldn’t need Per Haskell anymore.</p>	<p>Van Eck proposes a job that can grant Kaz a great fortune. Then Kaz asks him why Van Eck wants him to do the job since there are</p>

Kaz, who admits that he is less experienced compared to many crews in Ketterdam exemplifies Kaz's character strength humility and modesty.</p>
			3	<p>“Someone got the drop on you?”</p> <p><b>He looked at her and nodded once.</b> Unease snaked through her and twisted into an anxious, rustling coil. No one got the better of Kaz. He was the toughest, scariest thing walking the alleys of the Barrel.</p> <p>“It won’t happen again,” he promised</p> <p>(Six of Crows, 2015: 65)</p>	<p>Kaz is perceptive enough to know what others think about him, including Inej, who sees him as the strongest person in the Dreg. Even so, Kaz doesn't mind telling Inej that he just got kidnapped by Van Eck and admitting that it was because of his fault. Kaz telling Inej about his mistake exemplifies Kaz's character strength humility and modesty.</p>
			4	<p>He could only hope that the rest of his crew, hooded and burdened by their own anxiety, hadn’t noticed anything strange about his behavior.</p> <p><b>He’d been sluggish, slow to react when they’d ambushed the wagon, but that was all, and he could make up some excuse to account for it.</b></p> <p>(Six of Crows, 2015: 264)</p>	<p>Kaz admits that he has been feeling sluggish and slow to react, which nearly caused him to fail to ambush the wagon. Kaz, who acknowledges his fault in their attempt at ambushing the wagon, exemplifies Kaz's character strength humility and modesty.</p>
		Prudence	1	<p>“Don’t they want the Shu paying their debts?” Big Bolliger asked.</p> <p>“Yes and no,” he said in his rock salt rasp. <b>“It’s always good to have a country in debt to you. Makes for friendlier negotiations.”</b></p> <p>(Six of Crows, 2015: 15)</p>	<p>Kaz tells Big Bolliger that contributing something to a country will always have a greater benefit for the future. Specifically, it makes negotiation easier for them. Kaz, who doesn't mind working with the country to make their business easier in the future, exemplifies Kaz's character strength prudence.</p>

Thus, both parties can do their business without any trouble. Kaz, who plans everything ahead before they go to the</p>

			3	<p><b>Kaz had done his best to teach her, but she didn't quite have his way with breaking and entering, and it took her a few tries to finesse the lock.</b></p> <p>(Six of Crows, 2015: 20)</p>	Kaz's sole reason for teaching Inej is that he wants Inej to become a master at spying and lockpicking. With that, she will be a great asset in the future. Kaz's future orientation in teaching Inej from nothing to a master of spy exemplifies Kaz's character strength prudence.
			4	<p>She was suddenly glad Big Bolliger was with Kaz. That Kaz had chosen Jesper to be one of his seconds was no surprise. Twitchy as <b>Jesper was, with or without his revolvers, he was at his best in a fight, and she knew he'd do anything for Kaz.</b></p> <p>(Six of Crows, 2015: 21)</p>	Before they go to the negotiation, Kaz has specifically chosen Big Bolliger and Jesper to be his companion because Big Bolliger is strong and Jesper is loyal. Kaz's anticipation of a possible danger that made him choose Big Bolliger and Jesper to become his bodyguard exemplifies Kaz's character strength prudence.
			5	<p><b>Was that why Kaz had insisted on bringing Big Bolliger here tonight—so he'd have public confirmation that Bolliger had gone over to the Black Tips?</b> It was certainly why he'd let Holst put a bullet in Bolliger's gut. But so what? Now everyone knew Big Bol was a traitor.</p> <p>(Six of Crows, 2015: 28)</p>	After they win over Geels in their negotiation, it is revealed that Kaz's actual reason for bringing Big Bolliger into their negotiation is to confirm Big Bolliger's betrayal. Kaz's planning to reveal Bolliger's betrayal exemplifies Kaz's character strength prudence.
			6	<p><b>"It wasn't a tough connection to make." He sighed and said to Geels, "This is what happens when stupid people start making big plans, ja?"</b></p> <p>(Six of Crows, 2015: 32)</p>	Geels wonders how Kaz can figure out all of his plans. Then Kaz tells him that it is unusual for Bolliger to do something systematic, suggesting that Kaz let Bolliger betray him to reveal Geels's plan. Kaz's careful planning to reveal Geels's plan exemplifies Kaz's character strength prudence.
			7	<p><b>"I'm not talking," said Kaz. "Holst could prove useful in the future."</b></p> <p>The mood was jittery, and their laughter had the frantic serration that came with near disaster. Some of them had expected a fight and were still itching for one.</p>	Kaz doesn't punish Holst, the guard Geels hired to kill him, because he wants Holst to feel indebted to him, making him an excellent ally for his future use. Kaz, who tries to make Holst his partner, exemplifies Kaz's character strength prudence.

			8	<p>“The Ice Court,” Nina repeated, and Kaz knew she’d begun to put the pieces together. “You don’t just need a Corporalnik, do you?”</p> <p><b>“No. I need someone who knows the Court inside and out.”</b></p> <p>(Six of Crows, 2015: 76)</p>	Nina initially thinks that Kaz has been selecting his crew randomly. But it turns out that Kaz wants Mathias to be on his team because Mathias is a former Fjerdan, so it is natural for Mathias to know how to navigate inside the Ice Court. Kaz, who wants to hire Mathias, despite him being a dangerous person, as one of their navigators, exemplifies Kaz's character strength <u>prudence</u> .
			9	<p>Muzzen grabbed him before he could fall as Inej swept him into the cloak Kaz had been wearing just moments before.</p> <p><b>Nina was only mildly surprised to see that Kaz was wearing a prison guard’s uniform beneath it.</b></p> <p>(Six of Crows, 2015: 90)</p>	Kaz reveals that he is wearing the prison guard's uniform under his regular clothes, proofing how prepared Kaz is as he is about to get Mathias out of prison. Kaz's high preparedness, evidenced by his wearing a prison guard's uniform before entering the prison, exemplifies Kaz's character strength <u>prudence</u> .
			10	<p>“We should be using Raske,” Jesper said. “He’s good under pressure.”</p> <p>“I don’t like it,” agreed Inej.</p> <p><b>“I didn’t ask,” said Kaz. “Besides, Wylan isn’t just good with the flint and fuss. He’s our insurance.”</b></p> <p>(Six of Crows, 2015: 111)</p>	Kaz invites Wylan, a young man adept with explosions, into his team. Although everyone doesn't seem to like his decision, Kaz still believes that Wylan's skills will be helpful. Kaz, who anticipates that they will need someone who is skilled with explosions, exemplifies Kaz's character strength <u>prudence</u> .
			11	<p>“Two checkpoints,” said Wylan. “When I was there, there were two.”</p> <p>“There you have it,” Kaz said to Jesper. “Marketable skills. <b>Wylan is watching you, Helvar.</b>”</p> <p>(Six of Crows, 2015: 115)</p>	Kaz tells Mathias to describe how tight the security on the Ice Court. However, since he has no way to confirm whether Mathias is telling the truth, he prepares Wylan to check on it since Wylan has visited the ice court recently. Kaz, who has no way to tell the authenticity of Mathias's information, thus hiring Wylan to confirm it, exemplifies Kaz's character strength <u>prudence</u> .
			12	<p>“The boat that blew was a decoy.”</p> <p>“You knew?”</p> <p><b>“No, I took precautions. It’s what I do, Jesper.”</b></p>	Just before their departure, Kaz and his team are suddenly attacked, and their ship explodes. Jesper asks how they are going to sail without a ship. Kaz then reveals that the exploded

				(Six of Crows, 2015: 136)	ship is only a decoy and has prepared another ship to anticipate the attack. Kaz, who prepares two ships to anticipate something bad that may happen, such as an enemy's attack, exemplifies Kaz's character strength prudence.
			13	<p>"Let's hope we're not the last. Are you armed?"</p> <p><b>He nodded. "Brekker told us to stay hidden until—"</b></p> <p>"This is until," Jesper said pointing to the men storming toward them on the dock and snatching his rifle back from Wylan.</p> <p>(Six of Crows, 2015: 138)</p>	It is revealed that Kaz has not only prepared the second ship but has also paid some people armed with weapons to defend their ship. Kaz's anticipation of a possible enemy attack that led him to hire people to protect his ship exemplifies Kaz's character strength prudence.
			14	<p>Then why the bombs?" asked Wylan.</p> <p><b>"Precautions. There are seven miles of road between the Ice Court and the harbor. If someone notices Bo Yul-Bayur is missing, we're going to have to cover that territory fast." He drew a line in the snow with his walking stick. "The main road crosses a gorge. We blow the bridge, no one can follow."</b></p> <p>(Six of Crows, 2015: 210)</p>	Wylan asks Kaz what he will do with the bomb he made. Kaz tells him they will use his bomb to blast the bridge and stop their pursuer if they cannot escape using their original plan. Kaz, who prepares a second plan just in case their initial plan won't work, exemplifies Kaz's character strength prudence.
			15	<p>He still went by Kaz, as he always had, but he stole the name Brekker off a piece of machinery he'd seen on the docks. Rietveld, his family name, was abandoned, cut away like a rotten limb. <b>It was a country name, his last tie to Jordie and his father and the boy he'd been. But he didn't want Jakob Hertzoon to see him coming.</b></p> <p>(Six of Crows, 2015: 298)</p>	It is stated that Kaz is registered not by his original name because he doesn't want the person who tried to kill him to know that he is still alive. Kaz's who take the precaution of changing his name to prevent Jakob from knowing that he survived the ordeal exemplifies Kaz's character strength prudence.
		Self-regulation	1	Her father would have said the shadows were about their own business tonight. Something bad was going to happen here.	Before the night of their negotiation, Kaz feels like something terrible may happen. Although he can feel his anxiety build up, Kaz

				<p>Kaz stood with both gloved hands resting on the carved crow's head of his cane. <b>He looked totally at ease, his narrow face obscured by the brim of his hat.</b></p> <p>(Six of Crows, 2015: 22)</p>	<p>tries his best to stay calm and collected. Kaz, who tries to suppress his anxiety in order for him to be able to make the right decision, exemplifies Kaz's character strength self-regulation.</p>
			2	<p>"Smug little slum rat." Geels laughed. "I can't wait to wipe that look off your face."</p> <p><b>"So do it," Kaz said. Inej risked a look down. His voice had changed, all humor gone.</b></p> <p>(Six of Crows, 2015: 15)</p>	<p>By having the upper hand, Geels starts to threaten Kaz and tells him to hand over the fifth harbour. However, Kaz doesn't get scared by his threat, as that feeling can muddle his mind. Kaz, who doesn't get scared or feel cornered by Geels's threat, exemplifies Kaz's character strength self-regulation.</p>
			3	<p><b>The boy he'd been talking to had been cocky, reckless, easily amused, but not frightening—not really. Now the monster was here, dead-eyed and unafraid. Kaz Brekker was gone, and Dirtyhands had come to see the rough work done.</b></p> <p>(Six of Crows, 2015: 30)</p>	<p>Geels admits that Kaz is typically quite expressive. However, once Kaz gets serious, he normally won't show his emotion and will act calmly. Hence he can deal with certain issues better. Kaz, who doesn't let his emotion interfere with his decision-making, exemplifies Kaz's character strength self-regulation.</p>
			4	<p><b>Drugged, Kaz thought, trying not to panic. I've been drugged.</b> Or it was some kind of illusion, the kind they performed in the theaters off East Stave—a girl cut in half, doves from a teapot.</p> <p>"What the hell is this?" he growled.</p> <p>"Let me go and I'll explain."</p> <p>(Six of Crows, 2015: 44)</p>	<p>Van Eck's shows one of his men walking through a wall with no visible injury whatsoever. To witness that, Kaz starts to panic. However, it wasn't long before he began to think about it rationally that it was just a trick, or he was drugged. Kaz, who tries his best not to panic after witnessing a human walk through a wall, exemplifies Kaz's character strength self-regulation.</p>
			5	<p><b>"Brick by brick," he muttered to himself. However, he is not going to brute force it. Instead, he is going to do it slowly and in a step-by-step. Kaz who doesn't get consumed by his desire to take revenge on Pekka Rollins, exemplifies Kaz's character strength self-regulation.</p>
			6	<p>A ripple of unease passed through the room. Jesper shifted uncomfortably. If the</p>	<p>Kaz successfully captures one of his attackers and uncovers their identity, that</p>

			<p>expressions on the others' faces were any indication, they were all having the same thought: <i>Just what are we getting into?</i> <b>Only Kaz seemed unfazed.</b></p> <p>(Six of Crows, 2015: 116)</p>	<p>they are Pekka Rollin's underling. Pekka Rollins is one of the strongest gangs in Ketterdam, and just hearing its name can seemingly make everyone afraid except Kaz Brekker. Kaz, who isn't afraid of making Pekka Rollin his enemy, exemplifies Kaz's character strength self-regulation.</p>
		7	<p><b>Killing Pekka Rollins had always been tempting, but that wasn't enough.</b> Kaz wanted Rollins brought low. He wanted him to suffer the way Kaz had, the way Jordie had. <b>And snatching thirty million krugge right out of Pekka Rollins' grubby hands was a very good way to start.</b></p> <p>(Six of Crows, 2015: 153)</p>	<p>Kaz admits that he wants to finish Pekka Rollin with his hand. However, just killing him off won't make him satisfied. Hence, he patiently plans to destroy Pekka Rollin to its last detail. Kaz, who is able to suppress his desire to kill Pekka Rollin, exemplifies Kaz's character strength self-regulation.</p>
		8	<p><b>Inej handed the book back to Matthias, and as it made the rounds, Inej felt the group's apprehension rise. Nina used the opportunity to escape but was surprised to see Mathias, who nearly drowned. Although he was a Fjerdan, she still saved him from drowning, which exemplifies Nina's character strength kindness.</p>
			25	<p><b>"Why did you save me?" he asked finally.</b></p> <p><b>"Stop wasting energy. Don't talk."</b></p>	<p>Mathias asked Nina the reason she saved him. Nina knew that Mathias was her enemy, but before anything else, he was a human being just like her. Hence she</p>

				<p><b>“Why did you do it?”</b></p> <p><b>“Because you’re a human being,” she said angrily.</b></p> <p>(Six of Crows, 2015: 214)</p>	<p>saved him, which exemplifies Nina's character strength kindness.</p>
			26	<p><b>Whatever her reasons, she’d saved his life last night, not once, but again and again. That was a blood debt.</b></p> <p>(Six of Crows, 2015: 215)</p>	<p>Mathias knew for sure that he and Nina were sworn enemies. However, he couldn't help but admit that Nina had saved his life, and not once, but again and again, which exemplifies Nina's character strength kindness.</p>
			27	<p>A sob tore from Nina’s throat. <b>She raised her hands but she was shaking too badly to use her power to end the creature’s suffering. She turned her tear-filled eyes to the others. “I ... Please, someone...”</b></p> <p>(Six of Crows, 2015: 219)</p>	<p>Nina and her team once again get attacked by enemies. Luckily, they are able to fend off the attacker just like the last time. Nina, however, witnesses her enemy dying right in front of her, and she cannot take their life, as she begs others to save them. Nina, who cannot take her enemies' life and hopes that someone will save them, exemplifies Nina's character strength kindness.</p>
			28	<p>Being around Matthias made it easy to forget what he really was, what he really thought of her. <b>She’d tailored him again just this morning, enduring his glowers and grumbling.</b></p> <p>(Six of Crows, 2015: 222)</p>	<p>Mathias gets injured again, but he doesn't have to ask Nina for her to start healing him. Even when no one asks for it, Nina will do the medic job willingly, which exemplifies Nina's character strength kindness.</p>
			29	<p>He got to his feet and offered her his hand. “I’m Matthias.”</p> <p><b>“Nina,” she said, taking it. “Nice to make your acquaintance.”</b></p> <p>(Six of Crows, 2015: 229)</p>	<p>Mathias and Nina are enemies of each other, but she is willing to work together with Mathias when their goal is aligned, which exemplifies Nina's character strength kindness.</p>
			30	<p>“Nestor, it’s me, Nina.” She had been at school with him back at the Little Palace. <b>“I can heal your wound, Nestor, if you stay still.” He was in bad shape, but if she could stop the bleeding ...</b></p> <p>“I don’t want your help,” he said angrily, trying to push away from her.</p> <p>(Six of Crows, 2015: 234)</p>	<p>Nina meets Nestor, her former friend, back in the academy. But this time, they meet as an enemy. Even though they are no longer friends, Nina still offers to heal Nestor's wound, which exemplifies Nina's character strength kindness.</p>
			31	<p>“Let’s move,” said Kaz.</p>	<p>The fight between Kaz's group and the Grisha's</p>

				<p><b>“We need to bury them,” Nina said.</b></p> <p>“The ground’s too hard, and we don’t have the time. The Shu team is still moving toward Djerholm. We don’t know how many other Grisha they may have, and Pekka’s team could already be inside.”</p> <p><b>“We can’t just leave them for the wolves,”</b></p> <p>(Six of Crows, 2015: 236)</p>	mercenary has left many of the Grisha dead. Unlike Kaz, who doesn't want to bother himself with burying their corpses, Nina insists on preparing a proper funeral for the deceased, which exemplifies Nina's character strength kindness.
			32	<p>“They waylaid me when you went to speak to the manager of the boarding house,” Nina continued. <b>“I convinced them I was undercover there, too. They wanted to take you prisoner, but I told them that you weren’t alone, that it would be too risky to try to capture you right away. I promised I would bring you to them the next day.”</b></p> <p>(Six of Crows, 2015: 239)</p>	Nina notices some of the guards want to take Mathias as a prisoner. Luckily, Nina is able to convince them by telling the guards that Mathias is too dangerous for them, which exemplifies Nina's character strength kindness.
			33	<p>Nina waited, unsure of what to do. They’d been meant to meet on the landing with fifteen minutes to spare before the hour. <b>What if he was in some kind of trouble? She hesitated, then plunged down the corridor Kaz had been responsible for searching.</b></p> <p>(Six of Crows, 2015: 284)</p>	Nina realizes that Kaz is missing while they are supposed to meet. Although she is not responsible for Kaz's well-being, considering that Kaz is used to acting as he pleases, Nina still worries about him. She then decides to go search for him, which exemplifies Nina's character strength kindness.
		Social Intelligence	1	<p><b>Now he looked like what he truly was: a killer.</b> His bare torso seemed hewn from steel, and though she knew it wasn’t possible, he seemed bigger, as if the very structure of his body had changed.</p> <p>(Six of Crows, 2015: 87)</p>	Nina meets with Mathias after a long time, and just from the very first sight, she can tell that Mathias is apparently more dangerous and stronger than his former self, which exemplifies Nina's character strength social intelligence.
			2	<p>“He was afraid for you.”</p> <p>“Kaz isn’t afraid of anything.”</p> <p><b>“You should have seen his face when he brought you to me.”</b></p> <p>(Six of Crows, 2015: 176)</p>	Nina tells Inej that Kaz is afraid of losing her due to how badly she was injured during the recent attack. Inej doesn't believe it, but Nina remembers how scared he was from the look on his face, especially when he brought Nina's unconscious

					body to her, which exemplifies Nina's character strength social intelligence.
			3	<p><b>She watched him closely. He was setting a good pace, but his gait was stiff.</b> Why had he insisted on being the one to make this climb?</p> <p>(Six of Crows, 2015: 281)</p>	Nina realizes how stiff Kaz's body is and thinks that Kaz must feel anxious when he declares himself as the one to climb the wall, which exemplifies Nina's character strength social intelligence.
4	Justice	Citizenship	1	<p>Nina loved her country and loved her people. She still believed in the future of Ravka and the Second Army, the Grisha military elite that had nearly disintegrated during the civil war.</p> <p>(Six of Crows, 2015: 76)</p>	Nina admits that she loves her country and its people. Hence, she proudly joins and serves her kingdom as a Grisha soldier, exemplifying Nina's character strength citizenship.
			2	<p><b>Nina had been too young to fight in the Ravkan civil war, and she'd been desperate to be part of the rebuilding of the Second Army.</b> It was her gift for languages—Shu, Kaelish, Suli, Fjerdan, even some Zemeni—that finally overcame Zoya's reservations.</p> <p>(Six of Crows, 2015: 158)</p>	When she was young, Nina always dreamed of joining the army and being a part of the Ravkan civil war, which exemplifies Nina's character strength citizenship.
			3	<p><b>Properly trained Grisha didn't make these mistakes. Nina had been a fool, but she didn't have to be a traitor.</b></p> <p><b>She pleaded with them in Kaelish, not Ravkan, and she didn't cry out for help—not when they bound her hands, not when they threatened her, not when they tossed her in a rowboat like a bag of millet.</b></p> <p>(Six of Crows, 2015: 160)</p>	Nina accidentally encounters some Fjerdan's soldier, who immediately regard her as a spy. Nina as a Grisha soldier, doesn't want the enemy to find out about her peers' hideouts. Hence she doesn't cry for help nor talk in her language, which exemplifies Nina's character strength citizenship.
			4	<p><b>If she sabotaged Kaz's mission, would it cost Matthias his pardon? She couldn't do that. No matter what he was, she owed him his freedom.</b></p> <p>(Six of Crows, 2015: 222)</p>	Nina thinks Yul-Bayur should be killed so that the drug jurda parem will cease to exist. It means she has to betray Kaz, making Mathias's chance to acquire his pardon impossible. Hence, she cannot do it because she is a part of Kaz's group, which exemplifies Nina's character strength citizenship.
			5	<p><b>She was a member of the Dregs, an employee of the</b></p>	Mathias asks whether Nina will betray him again if she

				<p><b>White Rose, and occasionally a foolish girl, but before anything else she was a Grisha and a soldier. “No,” she said clearly, her voice echoing off the endless ice. “I’d do it all over again.”</b></p> <p>(Six of Crows, 2015: 231)</p>	can go back to the past, and Nina says yes because it is her job to side with her nation, which exemplifies Nina's character strength citizenship.
			6	<p><b>“I was trying to protect my people, people you’ve spent your life trying to exterminate.”</b></p> <p>(Six of Crows, 2015: 240)</p>	Mathias asks why Nina betrayed him in the past and why she doesn't want to tell the truth to him.

5	Temperance	Forgiveness and Mercy			
		Humility and Modesty	1	<p>His north sea eyes were colder than she’d ever seen them, empty of feeling, stripped of anything human at all. <b>This was what Hellgate had done to him. And it was her fault.</b></p> <p>(Six of Crows, 2015: 89)</p>	Nina meets with Mathias and realizes how bad his condition is. Nina admits that she is the cause of his suffering and that he wouldn't be trapped inside the prison if she didn't betray him, which exemplifies Nina's character strength humility and modesty.
			2	<p>“That’s a lot of blood,” Nina said on a low breath.</p> <p>“Help her.”</p> <p><b>“Kaz, I’m a Heartrender, not a real Healer.”</b></p> <p>“She’ll be dead by the time we find one. Get to work.”</p> <p>(Six of Crows, 2015: 148)</p>	Kaz tells Nina to heal Inej. However, Nina knows the limit of her ability to heal others, as she is not a real healer, which exemplifies Nina's character strength humility and modesty.
			3	<p><b>Properly trained Grisha didn’t make these mistakes. Nina had been a fool, but she didn’t have to be a traitor.</b></p> <p>(Six of Crows, 2015: 160)</p>	When Nina accidentally encounters the Fjerdan's army, she admits that an adequately trained Grisha wouldn't make the mistake she did, implying that she wasn't properly trained yet, which exemplifies Nina's character strength humility and modesty.
			4	<p>“It was a mistake, Matthias.”</p> <p>Rage ignited in his eyes, the calm veneer dropping away.</p> <p>“A mistake? I saved your life,</p>	Mathias is mad because Nina betrayed and accused him as a slaver. Nina admits her wrongdoing and tries to make up for her mistake, which exemplifies Nina's

				<p>and you accused me of being a slaver.”</p> <p><b>“Yes,” Nina said. “And I’ve spent most of this last year trying to find a way to set things right.”</b></p> <p>(Six of Crows, 2015: 166)</p>	<p>character strength humility and modesty.</p>
			5	<p>“You always hated my laugh.”</p> <p>“I loved your laugh, Nina. And your fierce warrior’s heart. I might have loved you, too.”</p> <p><b>Might have. Once. Before she had betrayed him. Those words carved an ache into her chest.</b></p> <p>(Six of Crows, 2015: 167)</p>	<p>Mathias addresses Nina's mistake of betraying him in the past. Nina cannot say anything but accept the consequences of her action, which exemplifies Nina's character strength humility and modesty.</p>
			6	<p>“Sing for me, then.”</p> <p><b>Nina laughed. “Remember what I said about wishing you were dead? You do not want me to sing.”</b></p> <p>(Six of Crows, 2015: 178)</p>	<p>Inej wants Nina to sing her a song, but Nina refuses and says that she is not a great singer, which exemplifies Nina's character strength humility and modesty.</p>
			7	<p>“The odds of you being recognized will be considerably higher at the Ice Court, and I can’t make changes to your appearance all at once.”</p> <p>“Why?”</p> <p><b>“I’m not that good a Tailor. It’s part of all Corporalki training now, but I just don’t have an affinity for it.”</b></p> <p>(Six of Crows, 2015: 203)</p>	<p>Kaz tells Nina to change Mathias's appearance by using her power. However, Nina admits that she cannot do that because she is not proficient enough in using her power, which exemplifies Nina's character strength humility and modesty.</p>
			8	<p>“I could have gone home to Ravka. Saints, I wanted to. But I stayed in Ketterdam. I gave up my wages for bribes, petitioned the Court—”</p> <p><b>“You did everything but tell the truth.”</b></p> <p><b>She’d meant to be gentle, apologetic, to tell him that she’d thought of him every night and every day.</b></p> <p>(Six of Crows, 2015: 240)</p>	<p>Mathias mentions Nina's past in front of their group, telling how Nina betrayed and put him in prison. Nina cannot make an excuse for her wrongdoing, but she clearly admits and regrets her mistake, which exemplifies Nina's character strength humility and modesty.</p>

		Prudence	1	<p><b>It was why she'd studied to perfect her Fjerdan and her knowledge of their culture. It had been a way of preparing herself for them, for the battle to come</b></p> <p>(Six of Crows, 2015: 161)</p>	It is revealed that Nina learned almost everything about Fjerdan before she fought them so that she would know how to fight her enemies, which exemplifies Nina's character strength prudence.
		Self-regulation	1	<p>"The problem isn't getting in, it's getting out. Now shut up and stay alert."</p> <p><b>Nina swallowed her anger. She had to trust Kaz to run the game.</b></p> <p>(Six of Crows, 2015: 81)</p>	While Nina is talking with Inej, Kaz rudely tells her to shut her mouth, which makes Nina feels slightly mad. However, she knows that Kaz is right. Hence, she tries to suppress her feeling, which exemplifies Nina's character strength self-regulation.
			2	<p>"Easy, Heartrender. I like these trousers. And if you start messing with my vital organs, Matthias Helvar will never see sunshine again."</p> <p><b>Nina blew out a breath and settled for glowering at no one.</b></p> <p>(Six of Crows, 2015: 86)</p>	Nina wants to ensure that Mathias will not fight in the arena. Kaz, however, doesn't have the time to watch people fight each other, thus, rudely telling her to go. Although it makes her angry, she is able to control her emotion, which exemplifies Nina's character strength self-regulation.
			3	<p>"She can't die," he repeated.</p> <p><b>Nina felt a surge of frustration. She was torn between wanting to hug Jesper tight and scream at him that she was trying.</b></p> <p><b>"Saints, Jesper," she said. "I'm doing my best."</b></p> <p>(Six of Crows, 2015: 157)</p>	Nina, who sees how badly Inej is hurt, wants to cry. But she can hold her emotion as her job is to ensure that Inej will survive, which exemplifies Nina's character strength self-regulation.
			4	<p>He paused, his hand on the door. "I shouldn't have said that. Dogs know loyalty, at least. Fidelity to the pack. It is an insult to the dog to call you one."</p> <p><b>I'm going to feed you to a pack of hungry hounds, Nina thought. But all she said was, water. Please.</b></p> <p>(Six of Crows, 2015: 163)</p>	Nina, who the Fjerdan captured, begged for water. The Fjerdan then proceeded to treat her like a dog, which obviously made her mad. But Nina cannot let her emotion go awry because it would endanger her life, which exemplifies Nina's character strength self-regulation.
			5	<p>There, in the distance, he could just make out a jutting promontory of ice and the</p>	Nina and Mathias were drifted away by the wave, trying to hold to anything that could make them float.

				<p>blessed black slash of a dark gravel shore. Land.</p> <p><b>They wasted no time on relief or celebration.</b></p> <p>(Six of Crows, 2015: 205)</p>	<p>They then saw something that seemed to be a land. Although both of them were relieved to see that, they didn't have the time to express their feeling. Not before they ensured their survival first, which exemplifies Nina's character strength self-regulation.</p>
			6	<p>“Do you never doubt yourself?”</p> <p><b>“All the time,” she’d said as she slid into sleep. “I just don’t show it.”</b></p> <p>(Six of Crows, 2015: 227)</p>	<p>Mathias asks Nina whether she ever doubts herself. Nina answers him by telling him that she doubts herself most of the time, only she doesn't express it, which exemplifies Nina's character strength self-regulation.</p>
6	Transcendence	Appreciation of Beauty and Excellence	1	<p>Whichever guard had done it had made a mess of the job. Even from this distance, she could see the cuts and nicks on his scalp, and little strips of blond stubble in the places the razor had missed. <b>And yet, he was beautiful still.</b></p> <p>(Six of Crows, 2015: 87)</p>	<p>After meeting Mathias, she shames the guard who tortured Mathias. But she cannot help but admit even after the guard made a mess with his appearance, he is still beautiful, which exemplifies Nina's character strength appreciation of beauty and excellence.</p>
			2	<p><b>Zoya Nazyalensky—a powerful Squaller, gorgeous to the point of absurdity, and capable of reducing Nina’s confidence to ash with a single raised brow. Nina had worshipped her.</b></p> <p>(Six of Crows, 2015: 156)</p>	<p>Back in the academy, Nina admired her peer named Zoya. Not only she admitted her beauty, but Zoya was also a great soldier, which exemplifies Nina's character strength appreciation of beauty and excellence.</p>
		Gratitude	1	<p>“The animals are out, and I found you a boat. This is when a thank-you would be in order.”</p> <p><b>“Thank you, Jesper,” said Nina.</b></p> <p>(Six of Crows, 2015: 102)</p>	<p>Jesper rescues Kaz and his team, but Kaz refuses to show his gratitude. Instead of Kaz, it is Nina who expresses their gratitude to Jesper, which exemplifies Nina's character strength gratitude.</p>
			2	<p>She was struggling badly, swimming for both of them. She’d saved his life. Why?</p> <p>He shifted in her arms, kicking his legs to help drive them forward. <b>To his surprise, he heard her give a low sob. “Thank the Saints,” she said. “Swim, you giant oaf.”</b></p> <p>(Six of Crows, 2015: 213)</p>	<p>Nina and Mathias's ship was struck by a storm, nearly drowning them in the sea. Mathias then helped Nina to swim. Although they were originally an enemy to each other, Nina still expressed her gratitude to him, which exemplifies Nina's character strength gratitude.</p>

			3	<p>But shelter meant they might at least survive the night. The door had no lock. <b>They practically fell through it. “Thank you,” she groaned as she collapsed beside the circular hearth.</b></p> <p>(Six of Crows, 2015: 216)</p>	After Nina and Mathias were swept away by the wave, they finally found land and shelter to warm their cold body. She then expressed her gratefulness by thanking whoever owned the house, which exemplifies Nina's character strength gratitude.
			4	<p><b>“Thank you,” Nina choked out. She plunged ahead over the frozen ground, following the shape of the path through the snow. She was weeping, stumbling over the terrain.</b></p> <p>(Six of Crows, 2015: 220)</p>	Kaz and his team find a dying man in the snow, and none can heal him. Nina, who cannot bear the sight of a man dying in front of her, asks anyone to do something about it. Jesper then kills the man with his pistol. After that, Nina thanks Jesper for ending the man's misery, which exemplifies Nina's character strength gratitude.
		Hope	1	<p><b>She'd imagined facing Brum one day as an avenging warrior or a clever spy.</b></p> <p>(Six of Crows, 2015: 161)</p>	Although Nina feels like she is not a competent soldier yet, she truly thinks that someday, she will be able to face Brum, the well-known Fjerdan soldier, which exemplifies Nina's character strength hope.
			2	<p>Slowly, Nina unbent herself and stood upright. “I'm fine,” she whispered. <b>“But I don't think we have to worry about Pekka Rollins' team anymore.”</b></p> <p>(Six of Crows, 2015: 265)</p>	Nina and her team can finally escape the Pekka Rollin attack in Ketterdam. With all of them being in the sea, Nina thinks that they do not have to worry about Pekka Rollin anymore, which exemplifies Nina's character strength hope.
			3	<p><b>What if Bo Yul-Bayur really was in these cells? She knew it was unlikely, and yet ... she could kill him in his cell, put him in a deep, painless sleep, and simply stop his heart. She'd tell Kaz she hadn't found him. And what if Kaz located Bo Yul-Bayur? She might have to wait until they were out of the Ice Court to find a solution, but she could at least count on Matthias to help her. What a strange, grim bargain they'd struck.</b></p> <p>(Six of Crows, 2015: 282)</p>	Nina knows that the chance of her finding Yul-Bayur is very unlikely, but if she does find him, she will kill Yul-Bayur with her hands, which exemplifies Nina's character strength hope.
			4	<p><b>Nina took one step, then another. She glanced back over her shoulder. If</b></p>	Nina knows how dangerous the ice court is, and if the guards find her, she will

				<p><b>a guard entered the corridor behind her, she'd have nowhere to hide. So move, Nina.</b></p> <p>(Six of Crows, 2015: 283)</p>	<p>probably die. But she doesn't stop but keeps moving because she is sure that if she moves fast, the guards will not notice her. Nina's positivity that the guards will not find her exemplifies Nina's character strength hope.</p>
			5	<p>She'd studied the Fjerdans—their leaders, their language. <b>She'd even dreamed of entering the Ice Court as a spy just like this, of striking at the heart of this nation that hated her so much.</b></p> <p>(Six of Crows, 2015: 284)</p>	<p>Since she was a child, Nina had studied everything about Fjerdan in the hope of joining the army. Although she didn't know how tough it would be to become a soldier, but she was determined to serve her country, which exemplifies Nina's character strength hope.</p>
		Humor	1	<p>"Are you okay?"</p> <p>Nina started to laugh through her tears. "I'm fine. You're the one who got stabbed. <b>I don't know what's wrong with me. It's just so much easier to kill people than take care of them.</b>" Inej blinked, and then they both started laughing.</p> <p>(Six of Crows, 2015: 175)</p>	<p>After Inej gets her consciousness back, she asks Nina how she is doing even though the one who just got stabbed is Inej. Nina then tells Inej that killing people is easier than taking care of them, making them both laugh, which exemplifies Nina's character strength humor.</p>
			2	<p><b>"The first ones had better be Thank you, oh great Nina, for dedicating every waking moment of this miserable journey to saving my sorry life."</b></p> <p>Jesper expected Inej to laugh and was startled when she took Nina's face between her hands and said, "Thank you for keeping me in this world when fate seemed determined to drag me to the next. I owe you a life debt."</p> <p>Nina blushed deeply. "I was teasing, Inej."</p> <p>(Six of Crows, 2015: 185)</p>	<p>After Nina saves Inej's life, she jokingly tells Inej to thank her exaggeratedly. But Inej surprisingly takes Nina's word seriously even though Nina is only teasing her, which exemplifies Nina's character strength humor.</p>
			3	<p><b>"For Saint's sake, drüskelle, what's wrong with you? I just wanted to be warm. I promise not to ravish you in your sleep."</b></p>	<p>After the wave swept Nina and Mathias away, they tried to warm their body inside an abandoned house. But Mathias didn't like being with her in the same room.</p>

				<p>"I'm not afraid of you," he said irritably.</p> <p>Her grin was vicious. "Then you're as stupid as you look."</p> <p>(Six of Crows, 2015: 216)</p>	Hence, Nina tried to lighten the mood between them by jokingly telling Mathias that she wouldn't do anything to him, which exemplifies Nina's character strength humor.
			4	<p>"I'd love to see you get beaten by a girl," she said happily.</p> <p>"Not in this lifetime."</p> <p><b>"Well, I guess I won't get to see it. I'll just get to live the moment when I knock you on your ass." This time he did laugh.</b></p> <p>(Six of Crows, 2015: 227)</p>	Mathias tells Nina that all Fjerdan's soldiers are boys and girls should be protected instead. Upon hearing it, Nina says that Mathias's words are not entirely true because there are girls who are much stronger than him, and if there are not any, she jokingly says that she will be the one to beat him up, which exemplifies Nina's character strength humor.
			5	<p>"Stop that."</p> <p>"No. I'm beguiling you."</p> <p>"Quit it."</p> <p>She danced around him in the snow, poking his chest, his stomach, his side. <b>"Goodness! You're very solid. This is strenuous work." He started to laugh.</b></p> <p>(Six of Crows, 2015: 228)</p>	Mathias's figure slightly surprises Nina as she sees his body. Mathias, boasting about his muscle and telling Nina that a soldier must be like him, makes Nina want to tease him, which exemplifies Nina's character strength humor.
		Spirituality	1	<p>It was the first part of a Fjerdan saying: The water hears and understands. It sounded kind enough, but Matthias knew that Nina would be familiar with the rest of it.</p> <p><b>"Isen ne bejstrum," she finished. The water hears and understands. The ice does not forgive.</b></p> <p>(Six of Crows, 2015: 240)</p>	When Mathias is praying for his enemies, Nina, who surprisingly knows the prayer Mathias uses, joins him to pray for those who lost in battle, which exemplifies Nina's character strength spirituality.
